FINDING

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:
 8 U.S.C. §1326(a): Illegal Alien Found in the United States after Deportation as charged in the First Superseding Indictment.

**JUDGMENT
AND PROB/
COMM
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that defendant, Ruben Carmona Sanchez, is committed on the First Superseding Indictment to the custody of the Bureau of Prisons to be imprisoned for a term of 12 months..

On release from imprisonment, the defendant shall be placed on supervised release for a term of three years under the following terms and conditions:

1. The defendant shall comply with the rules and regulations of the United States Probation and Pretrial Services Office and Second Amended General Order 20-04. The defendant shall not commit any violation of local, state or federal law or ordinance.
2. The defendant shall refrain from any unlawful use of a controlled substance. The defendant shall submit to one drug test within 15 days of release from imprisonment and at least two periodic drug tests thereafter, not to exceed eight tests per month, as directed by the Probation Officer.
3. The defendant shall comply with the immigration rules and regulations of the United States, and when deported from this country, either voluntarily or involuntarily, not reenter the United States illegally. The defendant is not required to report to the Probation Office while residing outside of the United States; however, within 72 hours of release from any custody or any reentry to the United States during the period of Court-ordered supervision, the defendant shall report for instructions to the United States Probation and Pretrial Services Office, located at the United States Court House, 312 North Spring Street, Room 600, Los Angeles, California 90012.
4. The defendant shall not obtain or possess any driver's license, Social Security number, birth certificate, passport or any other form of identification in any name, other than the defendant's true legal name, without the prior written approval of the Probation Officer; nor shall the defendant use, for any purpose or in any manner, any

name other than his true legal name.

5. The defendant shall cooperate in the collection of a DNA sample from the defendant.
6. During the period of community supervision, the defendant shall pay the special assessment in accordance with this judgment's orders pertaining to such payment.

The defendant shall pay to the United States a special assessment of \$100, which is due immediately. Any unpaid balance shall be paid during the period of imprisonment at the rate of \$25 per quarter and pursuant to the Bureau of Prisons Inmate Responsibility Program.

All fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

The Court orders the underlying complaint dismissed.

The Court recommends that the defendant be designated to the Bureau of Prisons facility located at Victorville, California.

The Court advised the defendant of the right to appeal this judgment.

SENTENCING FACTORS: The sentence is based on the factors set forth in 18 U.S.C. §3553, including the applicable sentencing range set forth in the guidelines, as more particularly reflected in the court reporter's transcript.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
